

This Holiday Season...

Fanny Hill announces the arrival of a very special guest! The man of the hour, Santa will be visiting our weekday matinees. So join the holiday fun and don't forget your camera!

Do you recognize Santa? It's my husband, Don Hodgins, director of the theatre. The little charmer is our daughter, Chelsea. This was taken when she was four. Chelsea is now a senior in high school. The fun part was she didn't know it was Daddy! Don has been Santa at Fanny Hill since 1991.

PLAYING IN OUR DINNER THEATRE FOR THE HOLIDAYS **An Adorable Christmas Comedy**

By Don Hodgins

November 9- January 25

Is the world ready for two Poznarski's? Our hero Rudy is having a merry little midlife Christmas. He needs some help and it comes in the form of a "young" man (a mere 239 years old!) with an incredible story to tell. This is the perfect comedy for the yuletide season. It's about family, the cheer and merriment of the holidays, and of course, a little "Rudy" fun!

***Holiday Matinee Menu: Garden Salad with our famous Honey Poppy Seed Dressing.
Fresh Whole Wheat Bread with Butter.
Real Roasted Turkey Breast with all the trimmings:
dressing, mashed potatoes and gravy, steamed green beans,
cranberries, and a special holiday dessert.***

(Not to mention a complimentary box of cookies for the ride home!)

**Dates are still available so call today and treat your group to a SANTA MATINEE!
